WHERE IS KIPLINGCOTES ?

Kiplingcotes is a small hamlet located between Market Weighton and Beverley, set in the heart of the Yorkshire Wolds. The village has no signs informing you of when you are entering or leaving; a beautiful and peaceful place ideal for a weekend drive out .Kiplingcotes Classic Furniture is actually located on an old disused railway station, with the Hudson Way walk way running by, so why not bring your walking boots (maybe the dogs as well) and have a stroll down the line?
